Dear Class of 2020 Supporters,

Cherokee High School Project Graduation is a non-profit organization made up of Cherokee parents and members of the community working together to support the graduating class each year. Our goal is to make the final year of high school exciting and memorable for Cherokee’s graduating seniors.

We are reaching out to you for support of Cherokee High School PROJECT GRADUATION. Our last event of the year is an alcohol & drug free celebration held the night of commencement for ALL Cherokee graduating seniors. The party is held at Chartwell Swim Club where we provide food, amusements, rides and prize giveaways. Our goal is to make sure students arrive back home from their big day happy, safe and feeling rewarded for their wonderful accomplishment.

To support Project Graduation businesses can become a sponsor (information at the bottom of this letter), donate a portion of sales for products / services purchased from parents and students from your business or donations for gift baskets for our special senior events

We hope you will consider supporting our organization this year!

Putting on this event truly takes a community-wide effort between parents, law enforcement, local businesses and caring residents. Thank you in advance for your support in keeping our graduates safe.

Sincerely,

Kelly Miller
 Cherokee HS Project Graduation President
